

Orange gelatin cake

Ingredients

- 2 packets of orange-flavored gelatin
- 2 cups boiling water
- 1 3/4 cup orange juice
- fresh fruit

Directions

- Dissolve the gelatin in the boiling water.
- Add the orange juice.
- Pour into a 1 liter capacity bundt cake mold and cool until firm.
- Remove from the pan and pour into a serving plate.
- In the center of the mold, place fresh fruit.
