

# Brain fritters

---

## Ingredients

- 1 large brain
- 200 grams of flour
- 2 egg yolk
- milk

## Directions

- Prepare a large brain, removing the skin and cooking it in water and salt; drain it and cut it into pieces.
- Put in a bowl the flour, yolks and milk in sufficient quantity to form a soft preparation.
- Mix well, add the brains, fry them by tablespoons in hot oil and over moderate heat.
