

Layered pound cake

Ingredients

- 1 pound cake
- 1 glass of rum
- 8 tablespoons grated coconut
- 10 candied cherries
- 1 kilogram of dulce de leche

Directions

- The pound cake is cut into layers fine and sprinkled with rum, covering with dulce de leche.
- It is layered and covered above and around with the same dulce.
- Sprinkle around dulce and decorate on top with the rest of the dulce.
- Garnish with candied cherries split in half.
